Parties (especially DEC and DEP):

I have received the response from the Companies to the below-referenced Directive.

My question now is: is the notice still going through internal processes and is it able to be changed at this stage? Have significant expenses been incurred in the generation of the notice already?

Dear Hearing Officer Stark: I am told that the proof has already gone to the printer and we are on track for 2/15. I'm told that any changes to the proof will push back that date and ultimately the date of the delivery, which could push delivery to customers (at least as a bill insert) after the hearing has occurred. I do not yet have an answer on costs.

For non-traditional channels and newspaper ads, should the Commission desire those, we have more time if changes are necessary.

My understanding from the communication filed with the Commission on 1/21 is that notice would not be published until March 19<sup>th</sup>. Is that correct? Perhaps I misunderstood the filing.

Subject: [EXTERNAL] RE: Hearing Officer Directive in Docket Nos. 2020-264-E and 2020-265-E

Parties (especially DEC and DEP):

I have received the response from the Companies to the below-referenced Directive.

My question now is: is the notice still going through internal processes and is it able to be changed at this stage? Have significant expenses been incurred in the generation of the notice already?

Regards,  
David Stark
